Diversity Hiring made easy

VETcentral

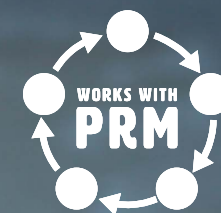

DirectEmployers and SourceCast have partnered together since 2007 to offer VETcentral to DE Members. With VETcentral, DE Members are provided an unmatched selection of qualified veteran candidates for hire. VEVRAA audit assurance is guaranteed with robust recordkeeping capabilities. In light of the revised VEVRAA regulations, SourceCast has built VETcentral Direct, a new, more powerful solution to help DE Members achieve a 7% veteran hiring benchmark.

Flawless audit success rate for over 800 satisfied customers.

NEW

VETcentral Direct

The NEW VETcentral Direct was built to help you successfully meet your veteran hiring benchmark. Watch your veteran hiring performance skyrocket and experience a unique real-time hiring communication platform. The outreach platform provides you access to a nationwide network of experienced counselors and recruiters referring pre-qualified candidates for hire. VETcentral Direct brings effortless compliance through effective outreach and the ultimate veteran hiring performance.

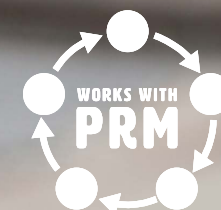

VOCcentral

Experience results-driven hiring performance for Section 503 compliance with VOCcentral. Reach an untapped talent pool of individuals with disabilities through a network of experienced counselors and recruiters. Section 503 audit assurance is guaranteed with robust recordkeeping and a dedicated customer care team. Given the evolving Section 503 regulations, SourceCast has built an even more successful hiring tool, VOCcentral Direct, to achieve your 7% disability utilization goal.

NEW

VOCcentral Direct

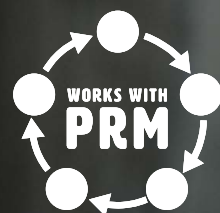

VOCcentral Direct was designed to catapult your hiring for individuals with disabilities to the next level. VOCcentral Direct's real-time hiring communication platform provides access to a nationwide network of skilled job counselors and recruiters referring pre-qualified candidates for hire. VOCcentral Direct guarantees effortless compliance through effective outreach and record high disability hiring performance.

NEW

EEO Direct

The NEW EEO Direct is an unmatched diversity and minority hiring tool to significantly increase your hiring performance. EEO Direct's real-time hiring communication platform provides access to a nationwide network of skilled counselors and recruiters referring pre-qualified candidates for hire. EEO Direct is a groundbreaking solution that brings effortless compliance through effective outreach and qualified diversity and minority candidates.

With VETcentral Direct, VOCcentral Direct, and EEO Direct, all of your diversity hiring activities are brought together on one platform to help you hire with extraordinary results. This one-of-a-kind hiring communication platform provides an untapped talent pool of qualified diversity and minority candidates referred directly from a network of experienced recruiters and counselors.

Experience a new level of hiring performance with SourceCast's all-in-one diversity hiring platform.
